

BRUTES ARE AFRAID OF SILENCE

Étienne Boulanger • 2016 • 00:04:55

Genre	Experimental
Version	Original without dialogue
Sound	Stereo
Available formats	Apple Pro Res, H264, DCP, DVD

SYNOPSIS

On a strip of land between two waters, a drummer spreads his rhythm in front of the immense landscape. The popping beats resound through the fjord. The echo resonates between heaven and earth and reaches a group of rowers energetically training on their rowing. Deploying a sublime collective effort larger than life, they try to get the maximum power from their hi-tech craft.

TOPICS

Sport and music
